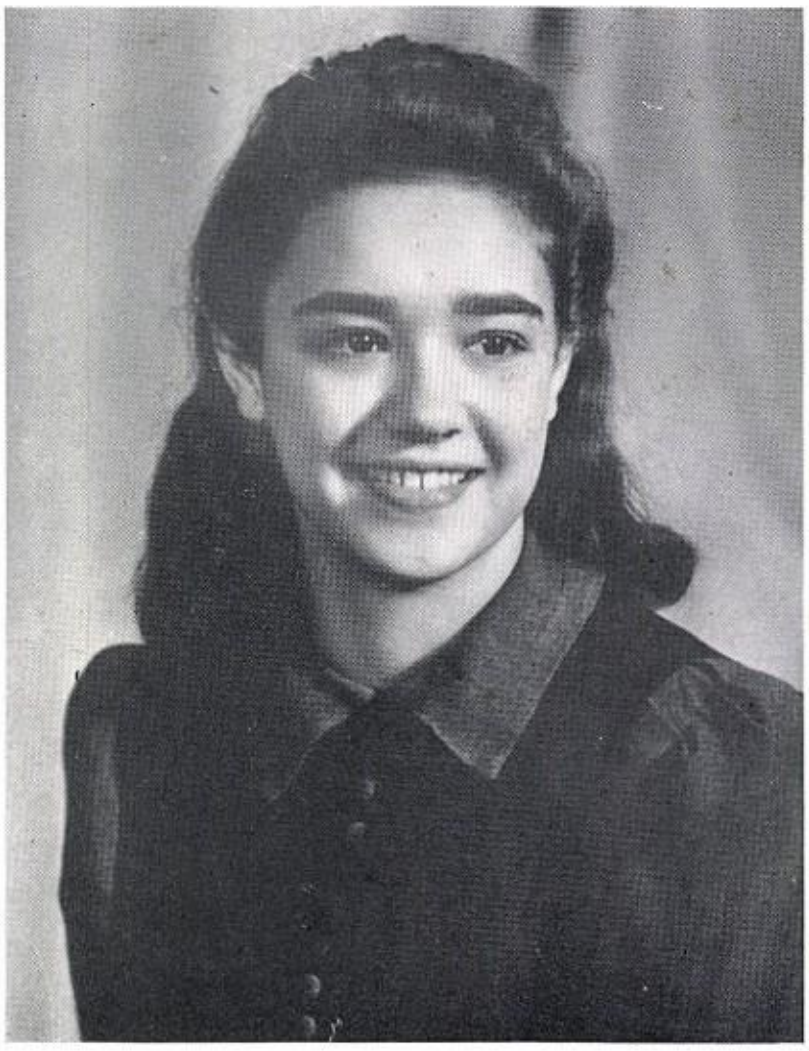
KANSAS COMMUNITY HIGH SCHOOL

KANSAS, ILLINOIS



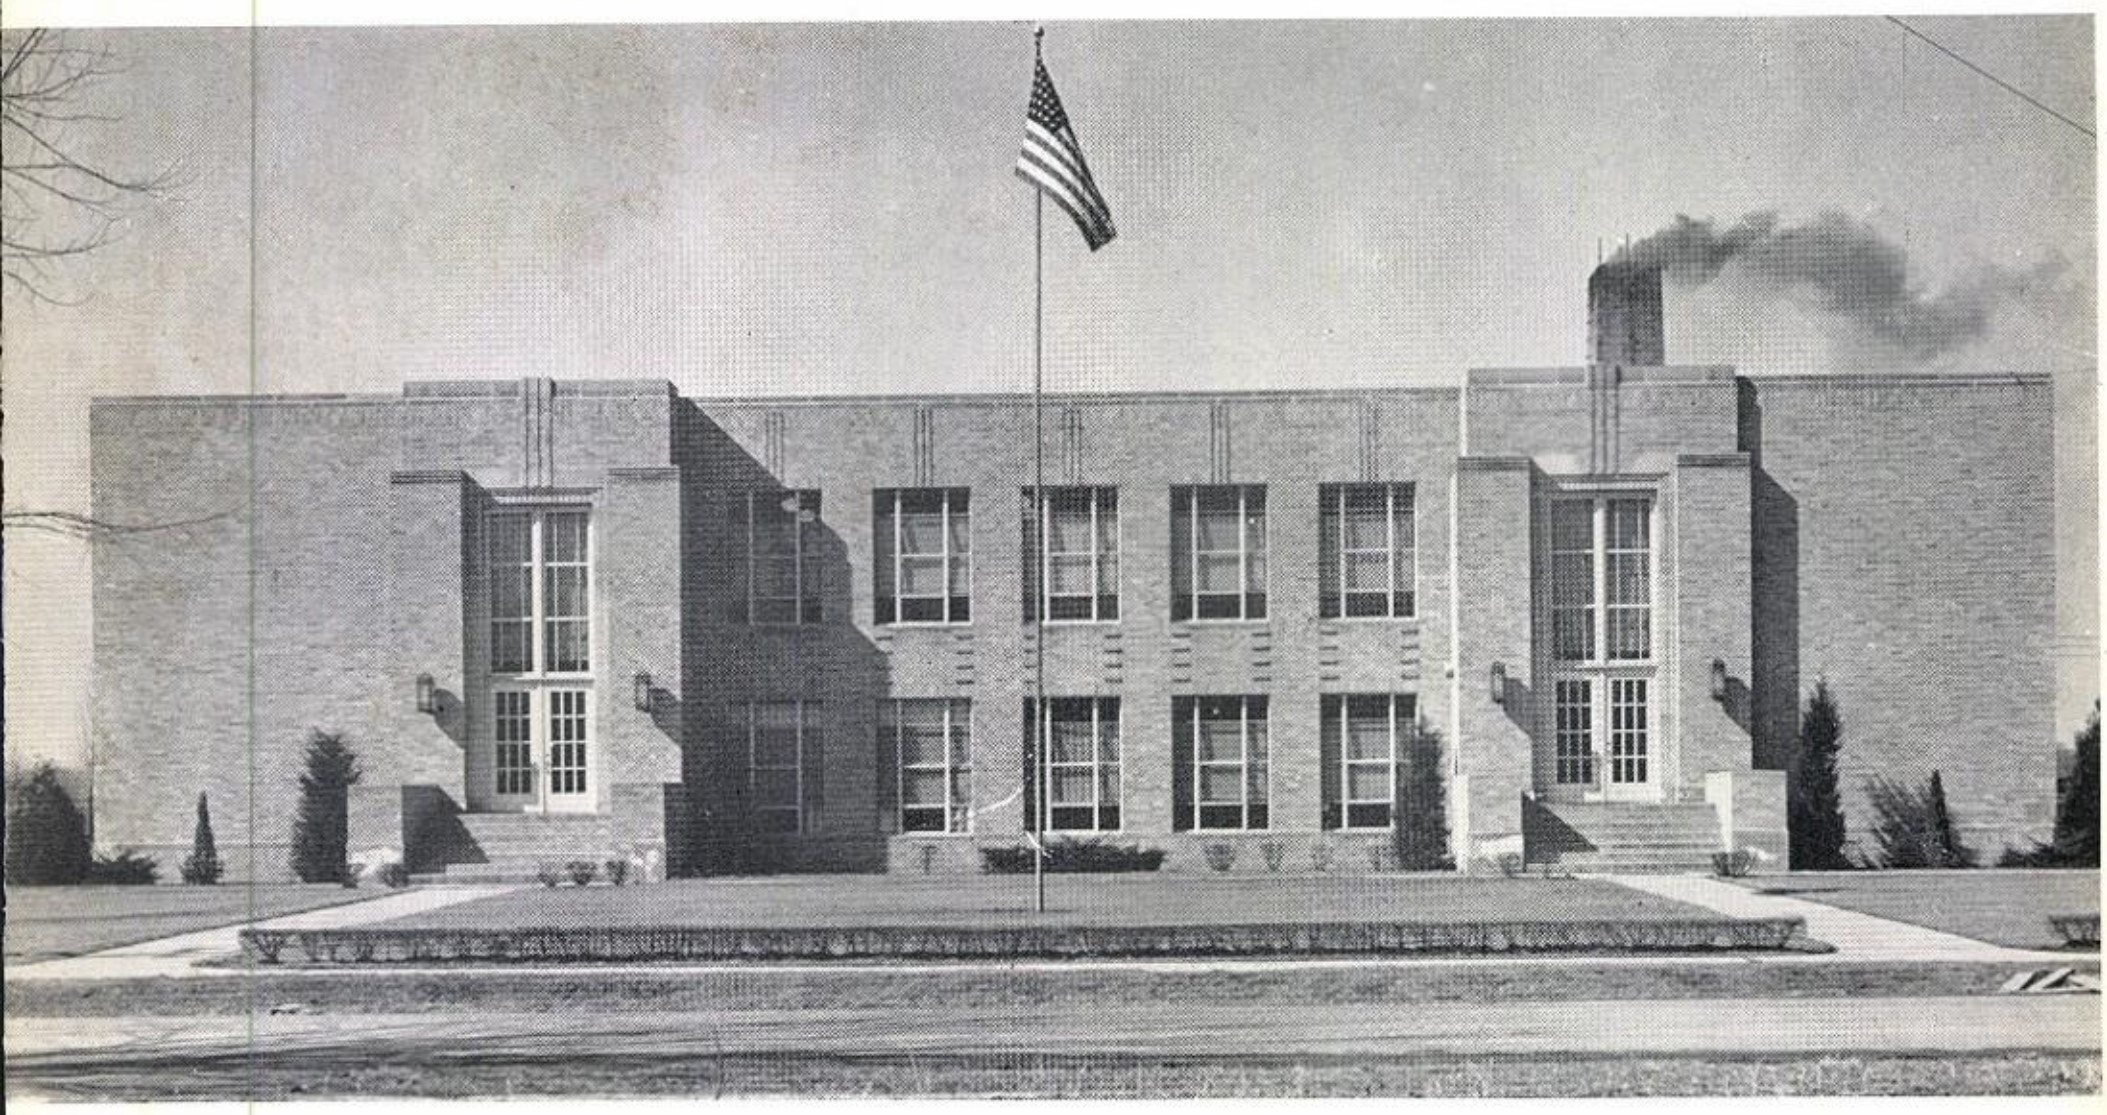
MILDRED MARIE BONNOM

1923-1941

When she had passed, it seemed like
the ceasing of exquisite music.

DEDICATION

To the memory of a very dear classmate, Mildred Marie Bonnom, the Class of 1941 wishes to dedicate this annual. For ten years Mildred lived in this community, attending school and participating in community activities. She had a friendly personality and a smile for everyone. Loved by all, she will indeed be missed and always remembered.



KANSAS COMMUNITY HIGH SCHOOL

To Kansas Community High School, soon to be our alma mater, we the seniors owe the privilege of receiving four years of training, which will give us the opportunity to advance into the complicated world. Our teachers, tireless in their efforts of the past four years, have sought to give us the best of their knowledge and leadership. Our principal has been mindful of the many phases of work and education which we will face and has given us the benefit of vocational as well as academic training. To our high school we are indebted for its unstinted help.

—Betty Mae Honn

There was never a building that could be loved more by anyone than the building in which knowledge and truthfulness are taught.

CLASS HISTORY

Kansas Community High School opened its doors in September, 1937, to twenty-nine bashful freshmen. The class was duly organized and elected Keith Stokes as president and Mr. Roberts as sponsor. The motto, "The harder we strive the higher we soar," was chosen; the flower, the lilac; and the colors, blue and white.

By the time we had gone through the fun and agony of initiation some of the timidity and bashfulness had worn off. We were then ready to try out for basketball, band, chorus work, operettas, plays and contests.

We increased our enrollment to thirty when we began our sophomore year. We elected Adaline Perkinson president and Mr. Pence sponsor. We initiated the freshmen into our fine school, of which we were very proud. We had learned by this time how to study to a better advantage and how to get things done and out of the way so as to have more time for school activities. These we entered with great zest. Our finest accomplishment was the school paper, "Pre-Re-View," which we published as an English class project.

As we look back upon our junior year, we realize it was a year in our lives never to be forgotten. We elected Betty Honn as president and Miss Swearingen as sponsor. We studied hard, but oh! what a lot of good times we had too! There were the basketball games, in which our class was represented by having members on the team; then there was the delightful junior play, "Adorable," the operetta, "Cherry Blossom," and the never-to-be-forgotten junior-senior banquet and prom. Besides all these there were parties and contests with other schools.

Our last year, which is the most worthwhile year of all, we began with a smaller enrollment. Keith Stokes was elected president, and Miss Swearingen continued to be our sponsor. Our class was well represented on the ball teams, which had successful seasons. We gave the school a flag and flag pole; we presented our senior play; and were entertained by the juniors at the junior-senior banquet and prom. We are proud of our class and what we have been able to do.

SIX-MAN FOOTBALL

K. C. H. S. felt the thrill of six-man football for the first time in the 1940-'41 season. Much enthusiasm was shown, and many boys came out in high hopes of making the team. Soon the boys were started practicing fundamentals, and all awkwardness was smoothed out. The team had a very successful season, winning five games and losing one.

ATHLETICS FOR GIRLS

The girls, too, have a chance to take part in athletics in organized classes, meeting three days each week. The period is spent in playing basketball, volley ball, and in tumbling and dancing. In warm weather softball and tennis are enjoyed out-of-doors.

One day each week the boys and girls combine their physical education period. Tumbling, volley ball, dancing and relay races are some activities. Miss Gladys Lively conducts the classes for the girls. Both Miss Lively and Coach Paul Johnson cooperate on the days when the boys and girls meet together.

BAND

The band, composed of both grade and high school students, has an enrollment of fifty. It has shown great progress the past two years under the direction of Mr. Myllan Smyers.

In the spring of 1940 the band entered the district contest, which was held at Bement, Illinois. Since it was the first year, Class D for beginning bands was entered. First division ratings in both concert playing and sight reading were received.

Summer classes were held and the band presented a free concert every Wednesday night for eight weeks, thus keeping the band in practice and ready to begin in earnest when school started.

Football being a new sport in the fall, a marching band was developed and formations were demonstrated at the Homecoming game.

Several ensemble groups were organized, adding greatly to the band. These were a brass sextet, a brass quartet, and a saxophone quartet. They were presented in several public programs during the past two years. The sextet also entered the district contest at Mattoon.

New uniforms have much improved the appearance of the band this year.

CHORUSES

An excellent year has passed for the Glee Clubs and Mixed Chorus of K. C. H. S. The new members learned the fundamentals of singing, and the old ones improved their voices.

The singing section, under the supervision of Mr. Myllan Smyers, entered the district contest at Mattoon and also the E. I. contest.

Margaret Jean Honnold, a senior and member of the Glee Club and Chorus, was chosen to represent the school in the All-State Chorus at the University of Illinois on November 1. Other soloists this year from the Glee Clubs are Gerald Honn, Joan Moody, and Joyce Weston. Members of the boys' quartet are Gerald Honn, Keith Stokes, Billy Jones, and Jack Kuykendall.

On March 18 the entire music department—all three Glee Clubs and the Band—presented an all-musical program, which took the place of the traditional operetta.

THE JENKS' JINX – JUNIOR CLASS PLAY

The Junior Class presented the play, *The Jenks' Jinx*, by John Hershey, on November 8, 1940, in the high school auditorium. The action of the play took place in the home of the Jenks, a typical American Family, and was hilarious throughout. Many opinions were expressed about the most interesting parts.

The play proved to be a great success. It was directed by Miss Evelyn Durham, the class sponsor.

JUNIOR-SENIOR PROM

The seniors of K. C. H. S. were honored by a banquet and prom given by the Junior Class in the auditorium May 9. Two weeks earlier maps of hidden treasure came into the seniors' possession. That night in the setting of a pirate's camp, with skull and cross-bones flying, all dug for treasure and found rich rewards—bright jewels and golden doubloons for their remembrance.

After the banquet the floor was cleared, and music and dancing were enjoyed by all. The Screw Ball Club of Tuscola provided the music.

SENIOR CLASS PLAY

RARIN' TO GROW, by Charles D. Whitman, was selected for the senior class play. Actual roles as played by the members of the class are listed below.

The senior play is always an outstanding event and a dramatic triumph. This year's play was directed by Miss Juanee Swearingen, class sponsor.

STUDENT COUNCIL

The Student Council is one of the most active organizations in school. It governs every class and all activities carried on by the students.

The Council is made up of students from each class, the number being determined by the enrollment of the class. There are four freshmen: Helen Boyer, Arlene Brown, Joyce Weston, Johnny Hite; three sophomores: Julia Covey, James Tarnow, Mary Simpson; three juniors: Anne Stark, Burton Cline, and Edward Barry; and three seniors: Gene Cline, Mildred Bonnom, and Keith Stokes. One member is a post-graduate, Jean Walker. Mr. Roberts and Mr. Pence act as adviser and sponsor respectively.

When asked to help in certain projects, the Student Council is more than glad to help. The students feel they have a part in the school program, since there is a council like this in school.

At the first of the year, for the election of president, students signed petitions and the candidates gave speeches before the student body. This was the first time an election of this type was ever held. The antics of "Toby" and his assistants in their campaign for his presidency will long be remembered.

DEBATE CLUB

Eleven pupils were chosen this year to debate on the question—"Resolved: That the power of the federal government should be increased." They entered three contests, in all. Two teams entered the Forensic Festival at Terre Haute; and one team, the speech contest at Charleston, sponsored by the Eastern Illinois State Teachers' College. March 25 was the highlight of the year, as two teams entered the Eastern Illinois League Debate Tournament. Although this was the first year for any of Kansas' students to debate, they worked hard and found it to be a grand thing to say just what they thought.

HOME ECONOMICS CLUB

The Home Economics Club was reorganized at the beginning of the year, with Margaret Jean Honnold as president. Betty Honn was elected vice-president, Anne Stark was chosen secretary, and Lucille York, treasurer. Committees were chosen to make the plans for the coming year. One business meeting and one social meeting were held each month. The members of the club worked hard for points, and several received pins at the end of the year. Some of the outstanding social events of the year were the Christmas Dance, the slumber party, and the Commencement Tea.

F. F. A.

The Future Farmers of America consist of all boys who study agriculture. Their activities are showing livestock at the fairs and also making public speeches during the summer. The following officers have served this year: president, Gerald Honn; vice-president, Keith Stokes; secretary and treasurer, Gene Cline; reporter, Edward Barry; and sponsor, Mr. Don B. Pence.

Benny: Mr. Johnson, did you ever hear a rabbit bark?

Mr. Johnson: Rabbits do not bark.

Miss Durgee: Because I got a better engagement.

Mr. Pence: What kind of engagement?
